

PRODUCT INFORMATION

Liquid feed that balances dairy cow diets.

What is MEGA LIQ MOLASSES

Derived from the sugar cane, feedgrade molasses is the most popular molasses based animal feed sold in New Zealand. Easy handling and high palatability makes it an ideal wet feed solution.

BENEFITS FROM FEEDING MEGA LIQ MOLASSES

- Increases blood sugar levels and energy for maintenance and production in dairy cows.
- Supports digestion by increasing sugars
- Improves appetite and feed intake.

PRODUCT INGREDIENTS

Blackstrap molasses and water.

RECOMMENDED FEEDING RATE

Feed 1kg – 2.5kg per cow per day.

STORAGE

Molasses should be stored out of direct sunlight, at less than 20°C and avoid contact with water. If stored in the correct manner, molasses will have a shelf life of 12 months from manufacture date, unless otherwise stated.

ORIGIN

Made in Australia. Blended in New Zealand.

MEGA LIQ MOLASSES is available in bulk shipments of 5 to 28 tonnes.

TYPICAL NUTRITIONAL ANALYSIS*
