

# PRODUCT INFORMATION

## What is MEGA LIQ START-UP

A molasses formula blended with limeflour and magnesium. Developed to be fed after calving through peak milk production to supply essential minerals

## BENEFITS FROM FEEDING MEGA LIQ START-UP

- Convenient and accurate means of supplementing your herd with essential minerals with the added bonus of molasses.

## PRODUCT INGREDIENTS

Blackstrap molasses, water, limeflour, magnesium oxide and suspension agents.

## RECOMMENDED FEEDING RATE

Feed 2kg per cow per day. At a 2kg feeding rate this will provide 22 grams of elemental magnesium and 36 grams of elemental calcium.

## STORAGE

Molasses should be stored out of direct sunlight, at less than 20°C and avoid contact with water. If stored in the correct manner, molasses will have a shelf life of 12 months from manufacture date, unless otherwise stated.

## ORIGIN

Made in Australia. Blended in New Zealand.

**MEGA LIQ START-UP is available in bulk shipments of 5 to 28 tonnes.**

## TYPICAL NUTRITIONAL ANALYSIS\*

As fed basis (1kg) g/kg
